

Gaiters, Neck, Flame-Resistant

1. Scope

This standard covers the requirements for flame resistant (FR), neck gaiters.

This standard applies to Seattle City Light (SCL) Stock No. 014674.

2. Application

FR neck gaiters are stretchy fabric tubes that are worn around the neck. They are designed to be pulled up to cover the nose and mouth of the wearer.

FR neck gaiters slow the spread of air borne viruses by reminding wearers to avoid touching their nose and mouth and limiting droplet exhaled into the environment, while providing a degree of protection against arc flash.

It is recommended that FR neck gaiters be washed and hung to dry daily. See manufacturer instruction for washing.

FR neck gaiters provide an alternative to FR cloth masks, Stock No. 014638.

3. Industry Standards

FR neck gaiters shall meet the applicable requirements of the latest revision of the following industry standards:

ASTM F1506, Standard Performance Specification for Flame Resistant and Electric Arc Rated Protective Clothing Worn by Workers Exposed to Flames and Electric Arcs

NFPA 70E, Standard for Electrical Safety in the Workplace

Standards Coordinator
Quan Wang

Standards Supervisor
John Shipek

Unit Director
Andrew Strong

4. Requirements

FR neck gaiters shall have the following attributes:

- 4-way stretch fabric that can withstand multiple washings
- Flame resistant
- Arc rated CAT 2, 8.7 cal/cm²
- Antimicrobial and anti-odor treated fabric fibers
- UPF 50+ rated sun protection
- 12-inch length, nominal
- Color: heather gray

5. Packaging

FR neck gaiters shall be individually packaged in a plastic bag with printed instructions.

Product shall be packaged to prevent damage during shipping, handling, and storage.

Each standard package shall be legibly marked with the following information:

- Manufacturer identification
- Product description
- Manufacturer catalog number
- Quantity contained
- SCL stock number

Each shipping container shall be legibly marked with the following information:

- SCL purchase order number

6. Issuance

Stock unit: EA

7. Approved Manufacturers

Manufacturer	Catalog No.
True North, DragonWear "Shape Shifter"	313413-7499
