

Gloves, Nitrile

1. Scope

This standard covers the requirements for general purpose reusable and disposable nitrile gloves.

This standard applies to the Seattle City Light (SCL) stock numbers listed in Section 7.

2. Application

Nitrile gloves are designed to provide general-purpose hand protection against chemicals.

Reusable nitrile gloves also provide abrasion resistance.

3. Industry Standards

Gloves shall meet the applicable requirements of the latest revision of ISEA 105.

4. Requirements

Product requirements shall be as described below and in Section 7:

- Made of nitrile compound
- Chemical resistant

Standard Coordinator
Laura Vanderpool

Standards Engineering Supervisor
John Shipek

Division Director
Andrew Strong

5. Packaging

Individual packages shall be legibly marked with:

- Manufacturer name
- Manufacturer catalog number
- Product description
- Seattle City Light stock number

Shipping containers shall be legibly marked with:

- Seattle City Light purchase order number

6. Issuance

Gloves, nitrile, reusable: PR

Gloves, nitrile, disposable: BX

7. Approved Manufacturers
