

## Insecticide

---

### 1. Scope

This standard covers the requirements for insecticide.

This standard applies to the Seattle City Light (SCL) stock numbers described in Section 6.

---

### 2. Application

Insecticide is formulated to kill a variety of insects, including wasps, hornets, yellow jackets and others.

---

### 3. Requirements

Product requirements shall be as described in Section 6.

---

### 4. Packaging

Product shall be packaged to prevent damage during shipping, handling, and inside storage.

Individual packages shall be legibly marked with:

- Manufacturer name
- Manufacturer catalog number
- Product description
- SCL stock number

Shipping containers shall be legibly marked with:

- Seattle City Light purchase order number.
