

Acetone

1. Scope

This standard covers the requirements for acetone.

This standard applies to Seattle City Light (SCL) Stock No. 725238

2. Application

Acetone is used to thin and remove polyester, epoxy resins, ink and fiberglass and to clean dried latex paint, uncured lacquers and label adhesives.

3. Industry Standards

Acetone shall meet the applicable requirement of the latest revision of ASTM D329.

4. Packaging

Acetone shall be packaged in one-quart cans.

Acetone shall be packaged to prevent damage during shipping, handling, and storage.

The package shall be legibly marked with:

- Manufacturer name
- Manufacturer part number
- Product description
- SCL stock number

Shipping containers shall be legibly marked with:

- SCL purchase order number
