

Labels, Cable Markers, Wraparound

1. Scope

This standard covers the material requirements for wraparound cable marker labels.
This standard applies to Seattle City Light (SCL) Stock No. 012510.

2. Application

Cable marker labels provide a visual aid in identifying communication cable or fiber optic aerial duct as being owned by SCL.
SCL owned pole attachments are labeled and identified as "001" in black numbering.

3. Requirements

Labels shall be designed to unroll and wrap around the existing cable easily and securely.
Labels shall be brightly colored for high visibility.
Labels shall meet the requirements of Table 3 and Figure 3.
