

## Cleaning Chemicals and Soaps

### 1. Scope

This standard covers the requirements for assorted cleaning chemicals and soaps.

This standard applies to the Seattle City Light (SCL) stock numbers cited in Sections 4 and 5.

### 2. Application

The supplies specified in this standard are for general cleaning and building maintenance.

Stock No. 776960 is a water-based, lemon-scented cleaning and polishing product that can be used on most surfaces except for floors. Spray application.

### 3. Packaging

Product shall be packaged to prevent damage during shipping, handling, and inside storage.

Individual packages shall be legibly marked with:

- Manufacturer name
- Manufacturer catalog number
- Product description
- SCL stock number

Shipping containers shall be legibly marked with the SCL purchase order number.

Notes:

1. SCL Material Control personnel may identify and use alternate manufacturers for this group of stock numbers, providing product(s) meets the requirements stated in this standard.
2. SCL has a Green Janitorial Contract in place that specifies criteria for cleaning products and lists acceptable 3<sup>rd</sup> party certifications. Environmental review and approval should be secured before changing or adding such products to our warehouse stock.
