

## Cleaners, Brake Parts

### 1. Scope

This standard covers the requirements for brake parts cleaners. This standard applies to Seattle City Light (SCL) Stock No. 015075.

### 2. Application

Brake parts cleaners are intended primarily for cleaning the motor-operated tools typically used for electrical work.

### 3. Requirements

Cleaners shall come in a 14-oz aerosol can.

Cleaners shall be non-chlorinated.

### 4. Packaging

The product shall be packaged to prevent damage during shipping, handling, and inside storage.

Each standard package shall be legibly marked with the following information:

- Manufacturer identification
- Product description
- SCL stock number
- Quantity

Standard Coordinator  
Curtis Lu

Standards Engineering Supervisor  
Brett Hanson

Division Director  
Bob Risch

Each shipping container shall be legibly marked with the following information:

- SCL purchase order number
- 

## 5. Issuance

Stock Unit: CN

---
