

Windshield De-Icer

1. Scope

This standard covers the requirements for windshield de-icer.

This standard applies to the Seattle City Light (SCL) Stock No. 726682.

2. Application

Windshield de-icer melts away frost and ice and prevents refreezing.

Windshield de-icer is flammable and poisonous. Do not swallow or breathe.

3. Requirements

De-icer shall be contained in aerosol cans.

De-icer shall be a blend of methyl alcohol (67-56-1) and ethylene glycol (107-21-1).

Top of can shall include a built-in scraper.

4. Packaging

De-icer shall be packaged to prevent damage during shipping, handling, and inside storage.

Each case shall be legibly marked with the following information:

- Manufacturer identification
- Product description
- SCL stock number
- Quantity

Muneer L. Shetab *John Shipek*

Andrew Strong
