

## Cover-up Systems, Blankets and Accessories

---

### 1. Scope

This standard covers the requirements for cover-up systems, blankets and accessories. This standard applies to the Seattle City Light (SCL) stock numbers cited in Section 6.

---

### 2. Application

The cover-up systems, blankets and accessories specified in this standard are used to form a barrier from energized lines and parts.

---

### 3. Requirements

Product requirements shall be as defined in Section 6.

---

### 4. Packaging

Product shall be packaged to prevent damage during shipping, handling, and inside storage.

Cartons or boxes shall be legibly marked with:

- Manufacturer name
- Manufacturer catalog number
- Product description
- SCL stock number

Shipping containers shall be legibly marked with SCL purchase order number.

---

### 5. Issuance
