

## Masks, Cloth, Reusable

### 1. Scope

This standard covers the requirements for reusable cloth masks.  
This standard applies to Seattle City Light (SCL) Stock No. 014637.

### 2. Application

Cloth masks cover the nose and mouth of the wearer.  
Cloth masks slow the spread of airborne viruses by reminding wearers to avoid touching their nose and mouth and limiting droplets exhaled into the environment.  
Cloth masks are reusable and should be washed and hung out to dry daily.

### 3. Requirements

Cloth masks shall have the following attributes:

- Fit snugly but comfortably against the sides of the face
- Dimensions of 7 in x 4.5 in, nominal
- 3-layer design
- 100% cotton
- White color
- Ear-loop style
- Capable of withstanding 20 washings without loss of function
