

Cleaner/Degreasers, General Purpose

1. Scope

This standard covers the requirements for general-purpose cleaner/degreasers.

This standard applies to Seattle City Light (SCL) Stock No. 726156.

See SCL 7550.25 for electrical cleaner/degreasers.

2. Application

General purpose cleaner/degreasers are used for general surface cleaning.

This product should not be used for cleaning primary cable insulation.

Cleaner/degreasers remove tough grease, oils, and tars and other contaminants from metals, painted surfaces, ceramic, fiberglass, and many plastics. It is also effective in removing some glues, resins, and oil-based stains from carpets and upholstery.

3. Requirements

Cleaner/degreasers shall meet the requirements as described in Table 3.

Table 3. Cleaner/Degreaser Requirements

Compatibility	Compatible with metals, painted surfaces, ceramic, fiberglass, and many plastics
Flashpoint	>132F (56C)
Evaporation rate	low
Specific gravity	0.84
Safety	OSHA 29 CFR 1910 compliant, non-toxic
Environmental	Bio-degradable

4. Packaging

Product shall be packaged to prevent damage during shipping, handling, and inside storage.

Each standard package shall be legibly marked with the following information:

- Manufacturer identification
- Product description
- SCL stock number
- Quantity

Each shipping container shall be legibly marked with the following information:

- SCL purchase order number
-

5. Issuance

Stock Unit: EA

6. Approved Manufacturers

Inland Technology Inc., Part No. Citra-Safe, 16 oz aerosol cans
